MOBILE EDGE TEAM

T-MOBILE FOR BUSINESS
ELITE PARTNER

Connected Resources for Utility & Energy companies can be the difference between Life and Death in the Workplace.

Your employees working on this critical infrastructure need to be safe and secure while they are on the property. In addition to safety, lowering costs and being more efficient also is important. Here are some of the features and benefits to realize with a VOS CoRe solution:

Cellular Enabled
Plug-and-play without complicated gateways or mesh networks.

Shock Detection
In case of fall or major body shock.

Resource Tracking and Tracing
Blue-tooth Low Energy (BLE) for proximity tracing and asset assignment.

Mobile Edge brings you a T-Mobile certified cellular-enabled solution with real-time insights and AI optimization for actionable intelligence to connect workers everywhere in the workplace with T-Mobile IoT service.
