Keeping Everyone Safer in Schools

T-Mobile FOR BUSINESS

Connected Resources for School Safety can be the difference between Life and Death in the Classroom

In the school environment, it is mission critical to make sure students, teachers, and staff are safe and secure.

Push Button Alert – Press a button for help when needed

Shock Detection
In case of fall or major body shock.

Time in Zone – Time spent in specific areas

Custom Alert Functions – Program the alert button to provide type-of-alert notifications.
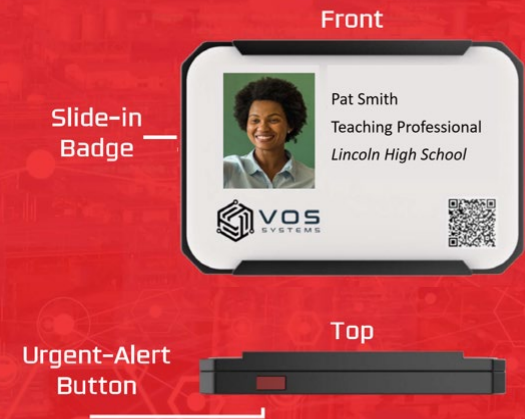

Mobile Edge brings you a T-Mobile certified cellular-enabled solution with real-time insights and AI optimization for actionable intelligence to connect workers everywhere in the workplace with T-Mobile IoT service.

FEATURES AND BENEFITS

In an emergency, students, teachers, and staff need protection. Response needs to know when, where, and what is happening to send the proper response to save lives, injuries, and property in real time.

- **Person Down/SOS Alert Notification**
- **Risk mitigation and safety compliance**
- **Site Sensors for location-based mapping in buildings and on campus**
- **Connected Resources Management portal with custom dashboard for admin & authorized users for security program responders**
